Our Mission

To be the first choice in delivering excellence in housekeeping services & other facility management services in India.

Housekeeping Service

Our professional cleaning crews are specially trained in all the aspects of housekeeping. The team comprises of managers, supervisors, quality checkers, skilled workers and other supporting staff. Besides this, in hospital housekeeping we train all staffs the methods of NABH quality standards before they are deployed at hospitals for housekeeping service.

Manpower Outsourcing

Manpower outsourcing We are engaged in providing Manpower/ staffing solutions for industrial and casual purposes. Several prominent industries use our skilled and semi-skilled manpower.

Security Service

We provide most reliable and efficient security services and solutions, especially for hospitals. We have well trained security personnel below 50 years old, who have clear knowledge about emergency situations and very friendly with security watch and ward duties. In order to provide efficient service to the clients, we regularly train our security staff with ex-servicemen from Indian army to keep them abreast of latest advancements in security field. Further, they are capable to undertake any security and allowed duties at all levels. In addition, we give them self defence and other physical fitness training.

Nursing Service

Nursing Services are defined by the criteria below, and are provided in a variety of settings, including inpatient and outpatient facilities, skilled nursing facilities, and in the home. These services are provided by licensed nursing personnel on an intermittent or hourly basis.

Pest Control Service
